

Greater Wilshire Neighborhood Council

Election FAQs

WHO: The Greater Wilshire Neighborhood Council is a nonpartisan entity mandated by the City of Los Angeles. Our purpose is to advise on issues of concern to our neighborhood and on City governance.

WHAT: We will elect 21 board members and alternates to serve 2-year terms: 15 by geographic region and 6 special interest categories, including renters, business, education, religion, other nonprofit, and at-large. "Stakeholders" who are 18 by election day are eligible to run and vote.

WHERE: Our election will be held at Wilshire Crest Elementary School, 5241 W. Olympic Blvd. (NE corner of Olympic & Sycamore). There will be no mail, absentee, or proxy voting.

WHEN: Thursday, May 13, 2010, from 2-8 p.m.

HOW: Come to the polling place on election day. Be sure to bring original ID. If you live, work, or own property in one of our 15 geographic areas, you have two votes: one geographic seat (based on your address) plus your choice of the at-large seat or any one of the special interest seats for which you qualify. If your regular participation in the GWNC is solely as a renter, or in our business, education, religion or other nonprofit institutions, you have one vote: choose one from the special interest categories for which you qualify. Voting Guidelines

To vote for a geographic area seat, please bring identification (driver's license, utility bill, pay-check, etc.) verifying that you live, work or own property in the area you wish to vote for.

To vote for a special interest seat, please bring identification verifying your stakeholder status with an organization of the type you are voting for (a business, educational organization, religious institution or other non-profit organization) OR verifying your status as a renter OR as a stakeholder in the area at large.

Stakeholders who live, work or own property in the GWNC area may vote for **one geographic seat, and one special interest seat** for which they can verify stakeholder status.

Stakeholders who do not live, work or own property in the area may vote **only for one of the special interest seats** for which they can verify stakeholder status.
